Certifications:

SEBI's NISM Investor Certification (Dec 2024) [\[↗\]](#)

- Expanded knowledge on a wide range of topics, including Financial Market basics, Risk Assessment, Portfolio Management and Investor Rights.

Tata Data Visualisation: Empowering Business with Effective Insights Job Simulation on Forage (Oct 2024) [\[↗\]](#)

- Completed a hands-on job simulation for Tata Consultancy Services that involved preparing questions for a meeting with client senior leadership and creating visuals for data analysis to help executives with effective decision making.

Career Essentials in Generative AI by Microsoft and LinkedIn (Sep 2024) [\[↗\]](#)

- Proven expertise in working with generative AI models such as GPT, Llama, Claude and Copilot along with the possible ethical concerns of working with generative AI.

Extra-curricular Activities / Projects:

AntiShort – YouTube Shorts Blocker

[\[↗\]](#)

- AntiShort is a lightweight browser extension that automatically hides YouTube Shorts from your feed and video sidebar, giving you a cleaner and distraction-free browsing experience. Built using JavaScript.

dpy-paginator - Python Package for Paginating Discord Embeds

[\[↗\]](#)

- Paginating discord embeds can be a tedious and time-consuming process, so I created a library that automatically manages it. dpy-paginator is a discord.py utility with no external dependencies that makes paginating embeds easier and has already been downloaded over 4k+ times! Built using Python.

Conferences & Seminars:

National Seminar on 'Roadmap for Inclusive Growth and Development of India'

- Participated in a two-day seminar focused on inclusive growth, development and financial inclusion in India. Attended multiple technical sessions and gained exposure via interactive panel discussions on financial markets, risk assessment, investor awareness and public policy. Organised by IQAC, Holy Cross College, Agartala.
